The image shows a screenshot of a 'Mobile Link' settings window. The window has a title bar with 'Mobile Link' and 'OK' and 'Cancel' buttons. Below the title bar, there is a tabbed interface with 'sync' and 'server' tabs. The 'server' tab is selected. The main area contains the text 'Adjust the connection settings for the selected server below'. Below this text is a dropdown menu showing 'AvantGo server'. To the right of the dropdown is a label 'SERVER NAME'. Below the dropdown are four input fields: 'Address:' with 'sync.avantgo.com', 'Port:' with '80', 'Username:' with 'jostern', and 'Password:' with 'xxxxx'. To the right of the 'Address' field is a label 'SERVER ADDRESS'. To the right of the 'Port' field is a label 'PORT WHERE IT LISTENS FOR REQUESTS'. To the right of the 'Username' and 'Password' fields is a bracketed label 'YOUR USER NAME AND PASSWORD FOR THE SERVER'. Below the input fields are two checkboxes: 'Enabled' (checked) and 'Connect secure' (unchecked). To the right of the 'Connect secure' checkbox is a label 'TAP OK WHEN FINISHED'. Below the checkboxes are three buttons: 'Add', 'Remove', and 'Reset'. At the bottom of the window is a status bar with a 'Start' button, two empty square buttons, a clock showing '8:51a', and a home button. Below the 'Add' button is a label 'TAP HERE TO CREATE A NEW SERVER ENTRY'.
